

Buffer Tank-Wall mounting type

Model			JPT-50	JPT-80	JPT-100
Capacity			50L	80L	100L
Inner tank	Material		Stainless Steel 304-2B	Stainless Steel 304-2B	Stainless Steel 304-2B
	Thickness	mm	1.0	1.0	1.0
	Diameter	mm	365	365	365
Outer tank	Material		Color steel (White)	Color steel (White)	Color steel (White)
	Thickness	mm	0.5	0.5	0.5
	Diameter	mm	470	470	470
Height		mm	640	930	1130
Insulation layer	Material		42 kg/m ³ density of PU foaming		
	Thickness	mm	52.5	52.5	52.5
Wall mounting bracket			Painted Galvanized steel 4mm thickness, Width 40mm (Black)		
Air vent			Internal thread 1/2"	Internal thread 1/2"	Internal thread 1/2"
Circulation connection			Internal thread 1" (6 pcs)	Internal thread 1.5" (6 pcs)	Internal thread 1.5" (6 pcs)
Packing size		mm	690 x 490 x 510	980 x 490 x 510	1180 x 490 x 510
Container loading Qty 20ft/ 40HQ		units	160/410	96/240	82/190

Note: Above prices ONLY include: tank with wall mounting kits. For accessories is optional:

Thermostat Electric Heater 1.25", Incoloy800, 1500W	Thermometer gauge
	

- Price validity: end on 2025-05-31
- Customized production is available, such as capacity, connection size and color, etc.
